

## Sponsoring Laml 2024/2025

We are the representatives of the final-year student comitee at the Lycée Aline Mayrisch for 2024/2025.

In the course of this school year, we are responsible for organizing several events, such as two „Fräibéier“ (which are always a great success with over 800 students attending), sports tournaments for students, the traditional Santa Claus Day, as well as the graduation celebration at the end of the year.

To be able to finance these events and collect money for our „Prom night“ we naturally need sponsors and that’s why we are reaching out to your company by offering you different sponsorship packages.
